

## NEW ADDITIONS

**This list provides details of new images in our catalogue, including when each list was updated**

The following new additions are available from Photos from the Fifties via Robin Fell, Kezlan Images, 16 Highworth Close, High Wycombe, HP13 7PJ. For current prices and details of many other lists available please see our website [www.photosfromthefifties.co.uk](http://www.photosfromthefifties.co.uk). For any ordering queries please contact Robin at [info@kezlanimages.com](mailto:info@kezlanimages.com)

All photographs are taken by Hugh Davies and other members of the Railway Enthusiasts' Club (the REC) between 1946 and 1968 and the great majority have never been published. Indeed we shall be continuing to identify negatives, many thousands of them, over the next few years - negatives that have never before been printed, let alone published - so if you don't see what you want here, please keep in touch. What you require may feature in a future amendment or a new subject list.
